IF YOU WISH TO ADDRESS THE TOURISM MARKETING DISTRICT BOARD

Persons wishing to address the Tourism Marketing District Board on any agenda item should complete a Request to be Heard card and submit it to the Recording Secretary. Individuals may also speak to any item not appearing on the agenda under Oral Communications. Legally, the Tourism Marketing District Board may discuss, but not take action, on topics brought up under this section of the agenda. State law stipulate that no oral presentation shall include charges or complaints against any employee, including the Chief Executive Officer, regardless of whether or not the employee is identified by name or by another reference which tends to identify. California law requires that all charges or complaints against employees be addressed in Closed Session unless the employee requests a public hearing. All such charges or complaints therefore must be submitted to the Tourism Marketing District Board under the provision of the Chamber's policy. Speakers are requested to limit remarks to five minutes.
